

Compost London Example Price List

Compost London will work with you, wherever, possible to find a solution that fits your budget. We want to ensure that groups of all shapes and sizes are able to access our services. We also know that having an idea of how much to budget for certain services can be useful when planning or writing funding applications, in managing projects and in ongoing service delivery.

With this in mind we have put together an example price list of what the average service is likely to cost. We recognise that prices will change with the size of organisation and project for which the services is requested but this aims to be a helpful guide.

Organisational Review: a reasonable report for a small to medium sized organisation will start at about £3000.

Staff Training: Our training costs start at £350 a day plus location costs and refreshments if needed.

Evaluation Services: Our evaluation rate is £350 a day.

Mentoring: Each session is £70. 4 sessions will be £280, 6 sessions £420.

Bespoke Research: Our research rate is £350 a day. An average report for a small to medium sized organisation will start at about £3500 but may be less dependent on the work.
